

August 27, 2009

The Victoria Area Chapter of the Texas Exes will be hosting **Skeet for Scholars**, its fall fundraising event on **Saturday, October 24th, 2009 at the Stein Gun Club, Hester Ranch in Mission Valley.**

Proceeds will benefit its scholarships fund for local students from the Victoria, Jackson and Goliad counties that are attending The University of Texas at Austin.

Since 2001 alone, the Victoria Area Exes have provided much needed financial support and merit scholarships to Longhorns exceeding \$91,000. With the rising costs of education, it is more important than ever that we help our local students achieve their dreams of a college education. We hope that you will join the Victoria Area Longhorns by sponsoring this important event.

The enclosed document provides details on sponsorship levels, although any amount is appreciated and custom sponsorships are available. In addition to the benefits listed, all sponsors will receive recognition at the event and on our new website for the upcoming year.

Thank you for your careful consideration of this request. We look forward to your participation and support. Please complete the enclosed Sponsorship Registration Form and fax to 361-573-0451, attn. Paul Cohen.

Finally, take a moment to check out and register on www.victorialonghorns.org, so you can keep current with all that is "burnt orange" in the Crossroads.

If you have any questions, please contact either below. Hook `Em!
